What is the ELPAC?

The Summative English Language Proficiency Assessments for California (ELPAC) measures student progress toward meeting the California English Language Development Standards (ELD Standards), which describe the English language skills that students need to succeed in school.

The Summative ELPAC:

- Is given each spring to students who have been identified as English learners
- Includes questions about Listening, Speaking, Reading, and Writing

Your child's ELPAC results:

- Are one measure of English proficiency that should be viewed with other available information, such as classroom tests, assignments, and grades
- Can be used to help talk to your child's teacher about your child's progress in English language development
- Can be used to determine if a student is ready to be reclassified as fluent English proficient (RFEP)
